

4TH OF JULY

Wed, July 4th, 2018, Independence Day

WALK FOR VALUES—“DREAMS COME TRUE UNDER RED WHITE & BLUE”

Participants line up no later than 9:00 a.m. along Benedetta and 4111 Avery Lane. Bridgeton, MO 63044

We will park our vehicles at the Sai Center, and volunteers will drive you to the Starting point. Be there by 8:30 AM! Plan to carpool please!

WHAT IS THE WALK FOR VALUES? Each step taken during the walk for values is a step towards positive change. Whether you think of a single value or all of the human values, you are heading towards being the best version of yourself, for your family, for your community, and for the world.

WHY DO WE WALK? We walk because we care. We care about the children in our community, in our nation and in the world. Each one of them deserve a world in which they may grow in peace and are loved for who they are. Such a world is not a fantasy, all it requires is that each of us remember these five human values. So come join us and each step you take is the change that you want to see.
